

We look forward to your visit.

These directions to the Munich plant will help you find the most direct route to us.

In Building V4, outside the **MAN East Gate**, is the central registration point for MAN Truck & Bus AG and the MAN Academy (Buildings V1 and A57). Parking spaces are available in multi-storey car park P50 behind Building V4. At the **MAN West Gate** please register in Building V9.

Please note that you may have to wait a little at the registration point and allow a few minutes for this.

We wish you a good journey and a pleasant visit to MAN Truck & Bus.

Please ask your contact at which gate you should register.
